07 Cr. 665 (DC)

Dear Judge Chin:

The Government writes to request an adjournment of the conference before Your Honor that is set to take place tomorrow, at 2:00 p.m. The reason for this request is that the Government anticipates obtaining a superseding indictment in this matter tomorrow, which would add one additional defendant. I have spoken to defense counsel who does not object to this request, and is available for a conference late next week.

The Government also requests that time be excluded under the Speedy Trial Act from tomorrow until the next conference date Your Honor selects, so that defense counsel may continue to review discovery, and so the parties may continue to engage in discussions regarding a possible disposition of this matter.

Application GRANTED.
